Terms and Conditions

1. Upon receipt of this Request, Japan Synchrotron Radiation Research Institute (hereinafter referred to as "JASRI") shall charge the organization above (hereinafter referred to as the "Organization") the beamtime fee. The Organization shall make the payment to JASRI's designated bank account within 60 days of the invoice date. The Organization shall be responsible for any bank charges incurred.
2. The beamtime fee shall be 1,098,000 yen per 2 hours, 549,000 yen per 1 hour.
3. In the event that the Organization loses part or all of its scheduled beamtime due to reasons attributable to the facility, the beamtime fee shall be calculated based on the number of beamtime actually used through consultation between JASRI and the Organization. The Organization may not make a claim against JASRI for any damages arising from the loss of beamtime or file for compensation of beamtime loss.
4. Any results obtained through the use of SACLA shall remain the property of the Organization.
5. JASRI shall have the primary responsibility for maintaining a stringent regime governing the handling of the proposal application submitted by the Organization and confidential information contained in the application, and shall not disclose or otherwise make available such information to any third party, unless otherwise agreed in advance. While the Organization shall be responsible for the management of the samples and reagents brought to SACLA for experiments, files containing data, and measurement results, JASRI shall provide reasonable cooperation to the Organization upon request. The term of this Agreement is three years from the date of signing.

Notes:

Items 1 through 4 will become public information.

This Request is available only to non-proprietary general proposals.
