* Notes for completing the form

- 1) Enter the name of the university, company, or institution to which genetically modified organisms will be provided as “Recipient Organization.”
- 2) Enter the name of the person in charge of providing genetically modified organisms as the “Provider.”
- 3) If there is no name or the name is not clear, state it accordingly.
- 4) Circle the appropriate item.
- 5) Enter information that is considered desirable to be provided for the proper handling of the relevant genetically modified organism.
- 6) This document must be attached to Form 20-2 “Notification of carry in/out of genetically modified organisms” and submitted to the Safety Office at least 10 days before the carry in/out.
This document must be mailed to the person in charge of receiving the genetically modified organism at the recipient organization before carrying the genetically modified organism in/out.
