

Application for Review of a Corporate Technical Journal

Proposal number: _____
 Applicant (Project Leader): _____
 Affiliation: _____
 User Card ID Number: _____
 Date: _____

I hereby request a review of my article that appeared in the following book (or journal) to have it certified as proof of dissemination of research findings resulting from research at G57@5.

Book/Journal Title	
Publisher	
Review Criteria Checklist	Internal Peer Review Process Has your article been published after being refereed through an internal peer review process? Describe how the quantity, quality and integrity of the article was reviewed.
	Required Information Does the article include the statement that the proposal was carried out at SACLA and does it provide detailed and sufficient information about the results obtained through the conduct of the proposal? (For the information required, use the format/sample of SPring-8/SACLA Research Report [Temporary Name] as a guide. Please be sure to provide the length, language, and the list of information provided in your article.)
	Level of Recognition Is the book/journal widely disseminated to the general public? Describe how so. Provide the circulation figure, distribution list, and URL if it is available on the web.

- Notes:
- Make sure to attach a copy of the book/journal.
 - If more space is needed, attach an additional sheet of paper.
 - Attach a document describing the review system where appropriate.
