As a general rule, only full-time staff of JASRI who have been approved as workers of the relevant experiment can be “a person in charge of storage” of genetically modified organisms.

If the genetically modified organisms are still stored at JASRI facility (Biomedical Imaging Center etc.) after completion of the experiment, submit this document as well.

\* Notes for completing the form

- 1) “Receipt Number” is the number that was issued by the Safety Office when an Application for Approval of a Genetic Modification Experiment was submitted.
- 2) As a general rule, only a full-time staff member of JASRI who has been approved as a worker on the relevant experiment can be “a person in charge of storage” of genetically modified organisms.
